Volunteer Commitment

Crowfoot Fastball is a community based and volunteer administered association. We exist to provide a high quality and rewarding softball program for our youth. All families participating in the program are expected to provide volunteer assistance to their team or to the program. A list of team volunteer team responsibilities is included on our registration form. Our program is also administered by a volunteer Board of Directors and we have a significant need for additional participants on our Board. Please thoughtfully consider if you can assist our program by participating on our Board. The time commitment is relatively small - just a few hours per month. Additional information about the volunteer commitment will be available at registration. Any specific questions or interest in serving on our Board of Directors can be directed Heather : finch@ucalgary.ca
